

## **East St. Paul Indoor Soccer**

Indoor Soccer registration is a great way to stay active in the cold weather and is encouraged if you typically play outdoor soccer.

- U4 – U6: there is currently no league for these age groups.
- U7 – U8: there are currently two leagues for these age groups running at Gateway Community Centre or Garden City Community Centre.
- U9 – U18: Winnipeg Youth Soccer Association (WYSA) is responsible for scheduling all indoor soccer games. We still follow the same registration process as we do for outdoor soccer. Please view the FAQ link above or visit the FCNW website and look under the 'Recreational' tab for more information.
