

## **FCNW Developmental and Premier Players**

East St. Paul Players are located within the **FCNW (Football Club Northwest)** district. FCNW currently runs several Developmental and Premier programs:

**U9 – U12 players** have the option of playing soccer with the community club in a recreational program or with FCNW in a developmental program. Please note that you cannot be register for both leagues at the same time including during the FCNW assessment period. If you are considering trying out for the FCNW program, your player will receive confirmation of their placement before the recreational program closes its registration period. Please visit the FCNW website for more details about registration and assessments ([www.fcnorthwest.com](http://www.fcnorthwest.com)).

**U13+ players** have the option of playing soccer with the community club in a recreational program or with FCNW in a Premier 1 or Premier 2 program. Please note that you cannot be register for both leagues at the same time including during the FCNW assessment period. If you are considering trying out for the FCNW program, your player will receive confirmation of their placement before the recreational program closes its registration period.
